

SPECIFICALLY ENGINEERED FOR UFH

Ultralight™

4^{IN}1

INSULATING · HEAT SPREADING · DECOUPLING · SOUND REDUCING

Specialised Underfloor Heating Board
For use with Underfloor Heating

1. **INSULATING:** High density insulating core
2. **HEAT SPREADING:** Aluminium layer for faster, more even, heat spread
3. **DECOUPLING:** Tested to ANSI standards and rated as **HIGH PERFORMANCE**
4. **SOUND REDUCING:** Tested and rated by Intertek for acoustic performance
5. **LIGHTER:** ⅓ lighter than XPS insulation board (per m²)
6. **DUST FREE:** Less dust means less mess
7. **COVERAGE:** 1200 mm x 800mm, total coverage is 0.96m², which means less boards and less joints
8. **EASIER TO CUT:** No cement skin, so easier to cut with a Stanley knife
9. **MORE ROBUST:** Less susceptible to damage during transit and when handling
