

Subfloor preparation

POWER X 18V

Powerful, mobile mixing

PRODUCT DESCRIPTION:

2-speed battery-powered mixer for smoothing compounds and coatings

ACCESSORIES:

17057	Stirrer, type KR 120S M14
68353	Extension (200 mm)
	WOLFF Battery 18V 5.0 Ah
	WOLFF battery charger for 18V machines 230V EU

TECHNICAL SPECIFICATIONS:

Voltage	18 V
RPM	1st gear: up to 530 RPM. 2nd gear: up to 780 RPM
Weight	5 kg

PRODUCT BENEFITS/FEATURES:

- ▶ For mixing applications up to 30 kg
- ▶ Robust 2-speed gearbox: for material-specific speeds and a strong torque in 3 adjustable maximum speeds
- ▶ Comfortable 3-step switch accessible from handle position without interruption of work, step 1: clean, step 2: stir, step 3: stir
- ▶ full wave electronics: soft start, temperature monitoring, overload protection
- ▶ Ergonomic handles on the drive
- ▶ Tool holder M14
- ▶ Maximum stirrer diameter: 120 mm!
